- 1996 – 2005 Self Employed  
Whitefish, MT
- Web design & development**
- [www.mtthoughts.com](http://www.mtthoughts.com) (my personal artwork still online)
  - [www.kitchenstoregalore.com](http://www.kitchenstoregalore.com) (out of business e-commerce site)
- Skills** HTML, CSS, SSI, Plesk, PHP-Admin, Quickbooks  
**Programs used:** Photoshop, Gimp, Komodo IDE, UltraEdit, FileZilla - FTP client, Macromedia Flash, Constant Contact email marketing, MailChimp, most Microsoft products but prefer to use open sourced products instead, Quickbooks.
- Objective** I enjoy website design and development as well as technical support for our customers. Creating what the customer wants allows me to expand upon my education and experience while my design capabilities grow, providing a creative outlet.
- Volunteer experience** Volunteering in my children's schools has been an ongoing joy in my life. Watching minds open to new possibilities and finding a love of learning is always an inspiration for me. 11 years of volunteering with the schools and 6 months volunteering at the animal shelter.
- References** Upon Request.
